

ATOM-JET MORRIS CONTOUR SERIES OF OPENERS

MORRIS CONTOUR SINGLE SHOOT 3/4" POINT

- Starter Phos Compatible
- Mud spur eliminates plugging
- Maintainable/repairable (hardsurfacing)
- Excellent soil penetrataion

DESCRIPTION

Our single shoot openers were designed with the concept of zero till in mind. The distinctive vertical design improved moisture conservation, increased trash clearance, eliminated plugging and was fully protected by the first carbides in the opener industry. The 3/4" single shoot opener is our narrowest profile opener. The 3 carbides on the point gives extra protection against premature wear.
